Dear Magnolia Athletes and Parents,

As the Athletic Director at Magnolia High School, I would like to welcome you to another exciting season of Sentinel athletics! I hope you are all looking forward to this year's sports seasons as much as I am. I wanted to provide you with some information regarding injury care procedures that your student-athletes will need to follow during the school year should they sustain an injury at Magnolia.

Most athletics injuries such as muscle strains, joint sprains, cuts, bruises and general sports associated soreness can be treated in the Athletics Training room at Magnolia and the athletes can return to play in a few days. Unfortunately, due to the nature of athletics, there will be a number of injuries that will require diagnosis by a physician. Magnolia is fortunate enough to work closely with the Pueblo Family Medical Center and other such facilities in the area that make physician diagnosis and treatment easily available and affordable. We want to provide the best possible care for our athletes by following and making you aware of the following procedures:

1. When the athlete sustains an injury by participating in athletics for Magnolia, he/she should notify the coach immediately. This way the coach is aware of the injury and can refer the athlete to the Athletic Trainer.
2. If the injury is severe enough, the athlete will be referred to the Athletic Trainer or the Athletic Trainer will see the athlete on the field.
3. If the injury is serious enough, the Athletic Trainer will suggest a follow-up visit with a physician.
4. If the athlete sees a physician, they must have a note from the physician stating the injury, any restrictions, and a date that he/she can return to participation. This note **MUST** be given to the Athletic Trainer in order to return to participation in the sport. **NO NOTE, NO PARTICIPATION, NO EXCEPTIONS.**
5. Further care may include stretching, strengthening, and education on how to take care of the injury based on the recommendations of the physician and the Athletic Trainer.

Please review this information with your son/daughter so they can participate in athletics without any delays due to Medical procedures. If you have any questions do not hesitate to call me at Magnolia High School (714) 220-4221. Thank you for your time and dedication to Magnolia Athletics. Go Sentinels!!!

Respectfully,

Anne Fumelle & Mike Barrera

Athletic Code of Conduct

Your son/daughter has indicated a desire to compete in Interscholastic Athletics at Magnolia High School. This decision on his/her part involves certain responsibilities and obligations.

1. Game officials are to be treated with respect at all times.
2. You should achieve and maintain good grades in all classes. You must meet Anaheim Union High School District and CIF academic requirements to be eligible for athletic competition. All students in the Anaheim Union High School District's extracurricular program must maintain a "C" average quarterly to be eligible.
3. Freshmen coming from 8th grade and accepted in a four year high school are scholastically eligible.
Sophomores-Juniors-Seniors
To be eligible a student must have passed in four subjects (or the equivalent of 20 semester units) of new work the previous quarter and maintained a "C" average. One of the four subjects may be physical education. New work means subjects in which passing grades have not been previously earned.
4. Serious infractions of school rules will result in an athlete's removal from the team by the Athletic Review Board. The Athletic Review Board shall be composed of the following members: Coach in Charge, Head Coach, Director of Athletics, and the Athletic Administrator. The decision will be final.
5. Alcohol, tobacco, and narcotics are injurious to the body. For your physical, mental, and moral betterment, the use of these will not be permitted. All first time offenders will be subject to transfer from Magnolia High School and/or expulsion from the Anaheim Union High School District.
6. The athlete must maintain an acceptable appearance.
7. Conduct on the bus while travelling to and from contests is important to the morale and spirit of the team. District bus regulations will be adhered to at all times.
8. You are financially responsible for all equipment issued to you.
9. A true athlete does not quit! If you leave a sport after the first contest and/or the three week try-out period established from the CIF start date, you will not be eligible to participate in the next season of sport until a meeting with the Athletic Director and Athletic Administrator has been conducted. You will be removed from 6th period athletics and put into zero period PE with a drop grade of "F"
10. No student while representing Magnolia High School as a member of any team, may participate on a "like" sport team outside the school jurisdiction at the same time.
11. From time-to-time, students will engage in recreation-sponsored, church sponsored, or summer leagues. These activities are to be purely recreational from the point of view of participants and sponsors, as long as participation does not conflict in time, to the sport in season.
12. Magnolia High School students are to be discouraged from playing on more than one school team during any one season. In exceptional circumstances, when an agreement is reached between the two coaches and Director of Athletics, dual participation may be permitted.
13. When representing Magnolia High School in Interscholastic Activities, the athlete should be an active member of the Associated Student Body.
14. A student must take out health and accident insurance policies in the amount of \$1500 before he/she may participate in any sport. This is required by State Law. If the parents have sufficient coverage of their own, they may state this on the Declaration form. The school has a policy available through CIF that provides accident protection including costs of doctor and hospital bills, as well as life insurance that satisfies State requirements.

15. Before a student may participate in any athletic activity he/she must submit to his/her coach a completed and signed Physician's Statement and Parent Consent form. The Parent Consent form gives permission to participate in the activity, to travel on school buses and be treated medically in case of an emergency when the parent cannot be reached.
16. Any equipment issued to the student becomes his/her responsibility. Any abuse or loss of this property will result in his/her being billed for its replacement. This procedure is handled through the Director of Athletics and the Athletic Administrator's office.
17. Responsibilities of the Athlete in general:
 - a. Meet all requirements concerning parent permission, physical examination, athletic insurance and eligibility
 - b. Maintain the standards set by the Magnolia High School Code at all times.
 - Maintain high academic standards.
 - Give respectful attention to all classroom activities.
 - Maintain proper training habits
 - Be neat and well groomed.
 - Show respect for students and faculty members
 - Be a campus leader
 - c. The following will result in disciplinary action which may include dismissal from athletics:
 - Unexcused cuts – regardless of class or classes involved
 - Tardiness to classes and practices
 - Breaking training rules
 - Poor academic achievement
 - Unacceptable classroom behavior
 - Failure to maintain acceptable standards of conduct outside of school
18. The Athletic Period of the Physical Education Program is devoted exclusively to athletes and their training. It is a privilege and shall be treated as such. The following requirements have been established for the Athletic Period Physical Education.
 - a. Admittance Requirements
 - All requests for transfer to the Athletic Period must be initiated with the Head Coach or Director of Athletics (not a counselor).
 - The student must have permission from his/her Physical Education Teacher, Coach and the Athletic Director.
 - The student must have completed all CIF and District Eligibility forms.
 - b. The athletic period is governed by the same rules and regulations as the regular Physical Education classes. In addition:
 - There should be no student enrolled who is not an active member of an athletic squad.
 - When transferring from one team to another, the student must obtain a release from his/her coach and present it to the coach of the new team.
 - The cutting of this period may result in the transfer of the student to a regular Physical Education class.
 - Tardiness to class will not be tolerated and will result in disciplinary action or transfer out of 6th period athletics.
 - If the coach is absent for any reason, the student will dress out and report to the designated substitute for the day's activities.
19. Letter Jackets – All students earning a varsity letter must adhere to the policies of the Magnolia Athletic Department. All varsity letter jackets must be in compliance with traditional school approved standards which include black-bodied jackets, with or without a hood, with material sleeves OR black or gold leather sleeves. See you Coach or Athletic Director for further information

We urge parental support of our Interscholastic Athletic Program at Magnolia High School and hope you will be able to attend many of the contests this year.
